#### CONTEXT

The data relates to 'recordable crimes' under Home Office recording rules.

Crimes were recorded from 1st April 2014 to 31st March 2015 in all police forces in England, Wales and Northern Ireland (except BTP). Police Scotland do not currently provide a hate crime return.

Monitored categories are Race, Faith and Religion, Sexual Orientation, Transgender, Disability and Anti-Semitism using the agreed definition of Monitored Hate Crime located at [http://www.report-it.org.uk/files/hate\\_crime\\_definitions\\_v3\\_0.pdf](http://www.report-it.org.uk/files/hate_crime_definitions_v3_0.pdf)

From 1st April, 2011 forces were required to report hate crime data to the Home Office as part of the National Crime Statistics and this will be available from the Home Office at the same time as this data (The Home Office Data will not include Northern Ireland).

For disaggregation of Anti-Semitic hate crime, where provided, the 'religion against which crime directed' category was used otherwise the 'victim's religion' category, where available, was used.

All recorded hate crimes are included. Recorded hate crime is not in addition to general crime (i.e. all hate crimes are also recorded in the figures for the relevant crime types, for example, robbery, assault etc.)

#### CAVEATS TO DATA

This is not a performance measurement report. The data in this report is intended to be used as an indicator of hate crime trends.

Forces have only been collating data for the five strands of hate crime since 1st April 2008. This data will have minor variations with the formal crime statistics which can be viewed at [http://www.report-it.org.uk/files/home\\_office\\_hate\\_crime\\_data\\_201314.pdf](http://www.report-it.org.uk/files/home_office_hate_crime_data_201314.pdf).

Recorded hate crime data is collected quarterly and some crimes may have their status changed retrospectively when the full facts of the case are known.

Data for non-crime incidents is held locally. They are not included in this data and not centrally collated by NCTPHQ.

Crime classifications may change over time, therefore the number of Race Hate, Religion Hate, Sexual Orientation
